

Tuesday 2pm – Journey To The Past

Shoe: Pink ballet shoes, pink tights

Makeup: Stage lights are bright and will wash out their faces, so please apply more makeup than you think you should ☺ base, powder, lots of blush, eye shadow (neutral colors. NO crazy colors, I want every girl to look the same), mascara, and lipstick are required. Lipstick should be a light pink shade. Don't go crazy with the pink, sometimes it looks "too much" on a little girl.

Hair: Secured back in a high bun. 'High' being in line with the tops of the ears (like where you would normally do hair "half-up"). If your hair is too short, do hair half-up. Please slick hair back. Use a lot of gel and hairspray.
